

## **Capital Area Aquatics Grievance Procedure**

The Capital Area Aquatics (CAA) Grievance Procedure provides swimmers, parents, coaches, club leaders and employees a system to address and report grievances in a productive, systematic way. Following these Procedures provides the appropriate parties a means to properly investigate, intervene, and take disciplinary action when needed.

### **WHOM TO NOTIFY OF A GRIEVANCE** (Chain of Command)

*Regarding the Conduct of a Swimmer* - Contact the swimmer's coach

- Should a parent or swimmer feel another swimmer's conduct is inappropriate or violates the CAA Code of Conduct, the parent/swimmer should discuss these concerns with the coach of the swimmer responsible for the violation (Responsible Coach). This complaint should be made in person or in writing. Coaches will ensure the CAA Lead Coach for the swimmer's location is notified of the complaint and will participate in assessing behavior.

*Regarding the Conduct of an Assistant or Age Group Coach* - Contact the Lead Coach

- Should a parent or swimmer feel an Assistant or Age Group Coach's conduct is inappropriate or in violation of any Club policies or procedures, the parent/swimmer should notify the Lead Coach of their CAA location of this violation. This complaint should be made in person or in writing. The Lead Coach will ensure that the CAA Head Coach is notified of the complaint and will participate in assessing behavior.

*Regarding Conduct of Lead Coach or Head Coach* – Notify the CAA General Manager

- Should a parent or swimmer feel the Lead Coach's or Head Coach's conduct is inappropriate or violates any Club policies or procedures, the parent/swimmer should notify the CAA General Manager of this violation. This complaint should be made in person or in writing.

*Regarding Parent or Official Conduct - Notify the General Manager*

- Should a parent or swimmer feel another CAA parent's or an official's conduct is inappropriate or violates any Club policies or procedures, the parent/swimmer should notify the CAA General Manager of this violation in person or in writing.

**Note:** With the exception of issues, which immediately affect the health and safety of swimmers, all matters should be discussed before or after a coaching session, as coaches should not be expected to deal with issues during water time.

**HOW GRIEVANCES WILL BE HANDLED**

*The Head Coach and/or General Manager has the authority to impose penalties for infractions of the CAA Athlete, Parent and Coach Codes of Conduct or any behavior(s) they deem not conducive to the best interests of the Club or other swimmers. Consequences are at the sole discretion of the CAA General Manager and/or Head Coach and may include, but aren't limited to, verbal warnings, dismissal from practice, contacting parents, temporary suspension from club activities and expulsion. Involved parties will be informed of the processes and range of potential consequences. The U.S. Center for SafeSport, USA Swimming and local law enforcement (if applicable) will be contacted within 24 hours if a coach, parent, or swimmer violates the SafeSport Code for the U.S. Olympic and Paralympic Movements, the USA Swimming Code of Conduct, Athlete Protection Policy, or local laws.*

1. Gathering Information: The appropriate individuals will contact the person who filed the grievance, and the person against whom the grievance is being filed, to ask questions about what happened. In addition, other witnesses may be contacted for more information. All information will be recorded on the CAA grievance procedure form.
2. Assessing Behavior: The behavior of the person(s) against which the grievance was brought, will be assessed using club policies and facility rules, USA Swimming Code of Conduct, USA Swimming Safe Sport policies, as well as applicable local and state laws.
3. Consequences will be given and disciplinary action will be taken, if appropriate. These consequences and disciplinary actions will be decided using the following general guidelines:
  - a. Nature of the misconduct
  - b. Severity of the misconduct
  - c. Prior disciplinary actions
  - d. Adverse effect of the misconduct
  - e. Application of the Code of Conduct
